The Parkland Course (Red course) of the Golfclub Schloss Schönborn, is well known as one of the finest courses in Austria and as well in Europe. After three following years, where the Golfclub Schloss Schönborn has become the „BEST GOLF COURSE OF AUSTRIA“, this year he got the as well a great 2nd place in quality and design of all Austrian Courses. The Club is a Member of Austrias Leading Golf Courses.

The old parkland designed in the 17 century as a recreation oasis for Lord Schönborn and family as summer residence became a new attraction as golf course in 1988.

The sensibility how the golf designer created this course let you feel as you would walk through a park and transforme you to a different century even when you play a round of golf. Interesting holes like the pictures hole 11 par 3 where you hit your tee shot right to the castle of Schönborn, will confirm you that feeling.
